Message from the Vice-Chancellor

Prof. Yogesh Singh

Delhi Technological University is one of the premier institutions for engineering and management education in the country. It offers courses towards Bachelor of Technology (B.Tech), Master of Technology (M.Tech), Doctor of Philosophy (Ph.D.) and Master of Business Administration (MBA) and contains fourteen academic departments with a strong emphasis on scientific and technological education and research.

The two year Full time MBA programme is designed in four semesters using participative pedagogy with equal emphasis on conceptual knowledge and application of such knowledge in industry context. The Programme focuses on inculcating effective managerial leadership. We have an old school, Delhi School of Management (DSM) which was established in 2009 with the up gradation of Delhi College of Engineering (DCE) to Delhi Technological University (DTU), and the newly established University School of Management & Entrepreneurship at East Delhi campus of DTU, located in VivekVihar, Phase II. Both the campuses endeavour to provide quality education, research and innovation in the emerging areas of management relevant to industry and society.

Our MBA Programme works towards the advancement of management education by developing and improving domains of managerial thoughts and education. It instils in its students, virtues and skills needed in the process of building leaders in today's global business environment.

I extend my best wishes to all prospective candidates seeking admission to DTU.

Message from the Pro-Vice Chancellor

Prof. S. K. Garg

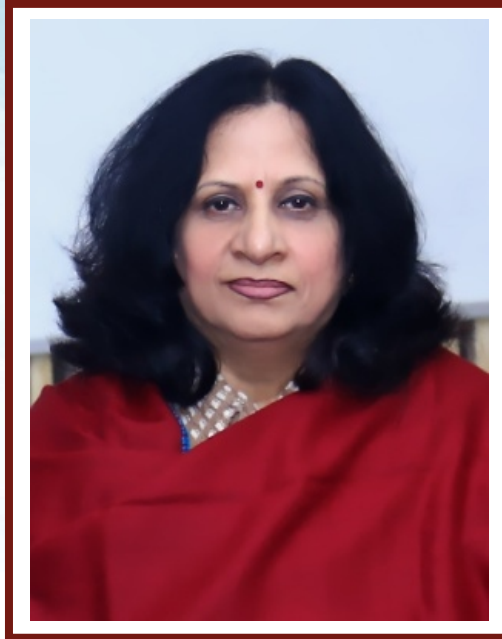

Delhi Technological University is a non-affiliating teaching-cum-research University engaged in fostering excellence in education, research and innovations in engineering and technology, applied sciences and management.

The University is inspired by talent and driven by innovations and is firmly committed to provide industry-relevant, socially-responsible manpower to meet the challenges of 21st Century. With its illustrious history, spanning over 75 years, the institution is marching on the pathways of excellence and is one of the highly sought-after University for the inspired students community and faculty.

The two-year MBA programme encourages the use of innovative business models and approaches to address the global and dynamic challenges. A rigorous curriculum, industry insights and experiential learning methodologies bridge theory and practice and impart a diversified view of the world of business. To complement this, the MBA curriculum is constantly enhanced by a team of faculty and industry professionals, ensuring, the necessary rigour, business discipline, and innovative thinking, setting the students apart from other MBA graduates.

My best wishes to MBA aspirants.

Message from the Pro-Vice Chancellor

Prof. Anu Singh Lather

“To be a world class university through education, innovation and research for the service of humanity”

With this Vision in mind, DTU started its MBA programme in main Campus in 2009. Last academic year, we launched MBA in East Delhi, VivekVihar, Phase II. In a short span of time, Delhi School of Management has established itself among the premier management institutions across the nation and so is expected of University School of Management & Entrepreneurship.

The refreshed curriculum of MBA encapsulates not only that of a typical management institution but also help understand holistic world-view that acts as an inspiration for the students out here. As the economy grows and the market evolves to adapt the technological changes, our MBA program finds it prudent to follow suit, if not to lead. DTU will continue to achieve what it has in the past, strengthening its legacy for centuries to come, with its management program.

In order to expand their horizon, MBA students are encouraged to participate in competitive events organized by various management institutions and leading organizations. The students get opportunity for industrial interaction by organizing a number of events and guest lectures. With this approach, the MBA programme of Delhi Technological University has created a distinct position as a sought after programme in India

Dear aspirants, I invite you to join us in our journey towards excellence and be a part of an inspiring and deeply rewarding educational experience.

ABOUT DTU

Delhi College of Engineering was upgraded as Delhi Technological University (DTU) by the Government of NCT of Delhi in the year 2009. It has 76 years of tradition of excellence in Engineering & Technology Education and Research & Innovations. Initially established with the name of Delhi Polytechnic, which came into existence in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience & sound theoretical knowledge. In 1952, the college was affiliated to Delhi University and started degree level programs.

Till 1962, the college was under the direct control of Ministry of Education, Government of India. In 1963, the administration of the college was handed over to Delhi Administration. DCE (now DTU) has functioned from its historic Kashmere Gate Campus for almost 55 years and was shifted in 1996 to its lush green sprawling present new campus of 164 Acres. This shift to new campus has added new dimension of research and has caused plenty of innovations, which have brought high national and international acclaim.

DTU offers courses towards Bachelor of Technology (B.Tech.), Master of Technology (M.Tech.), Doctor of Philosophy (Ph.D.), Master of Business Administration (M.B.A), Bachelor of Business Administration (B.B.A.), and B. A. (Hons.) in Economics with a strong emphasis on scientific, technological and managerial education and research.

VISION

"To be a world class university through education , innovation and research for the service of humanity"

MISSION

- To establish centres of excellence in emerging areas of science, engineering, technology, management and allied areas.
- To foster an ecosystem for incubation, product development, transfer of technology and entrepreneurship.
- To create environment of collaboration, experimentation, imagination and creativity.
- To develop human potential with analytical abilities, ethics and integrity.
- To provide environment friendly, reasonable and sustainable solutions for local & global needs.

Management Courses at Delhi Technological University

Delhi Technological University offers Master of Business Administration (MBA), Bachelor of Business Administration (BBA), B.A. (Hons.) in Economics and Ph.D programme in Management.

Master of Business Administration (MBA) is designed to be highly industry centric that enables students to learn all the essential basic management knowledge required for handling business. The students learn broad business understanding, effective communication skills, strategic problem solving, networking skills, resource and time management, analytical skills and leadership. During the duration of the course, students will foster managerial skills to manage effectively all possible situations related to business problems and decision making. The core courses in MBA programme cover various areas of business such as Accounting, Finance, Marketing, Human Resources, Operations, and Statistics. The specializations include Marketing Management, Financial Management, Human Resource Management, Supply Chain Management, Information Technology Management and Knowledge & Technology Management. Apart from learning basic management skills, these courses focus on students to develop, organize and innovate their own business plan.

Ph.D. Programme in Management:

Both the campuses offer students a wide range of research specializations related to Business Management for attainment of doctorate degree. Research areas would include Economics, Finance and Accounting, Information Technology and Systems, Marketing, Supply Chain Management, Knowledge Management, Operations Management amongst others.

Delhi School of Management (DSM)

Delhi School of Management was established in 2009 with the upgradation of Delhi college of Engineering as Delhi Technological University. DSM works towards the advancement of management education by developing and improving domains of managerial thoughts and education. It instils in its students virtues and skills needed in the process of building leaders in today's global business environment. It endeavours to enable future managers to understand the challenges of information and knowledge driven tech savvy work environment so as to develop their calibre and confidence to meet these challenges.

Delhi School of Management also offers two years MBA (Executive) programme, which caters to the need of working executives who aspire to learn professional and managerial skills. It also provides an opportunity for DSM to expand its reach by targeting young executives from public and private sector for this programme.

University School of Management & Entrepreneurship (USME)

University School of Management & Entrepreneurship is located in prime location of Delhi at VivekVihar, Phase II, which is in very close vicinity of SCOPE MINAR where all major multinational companies and Public Sector Undertakings have their corporate offices. This campus is also very near to District Business Centre. USME is in walking distance from very large sports complex and all major five star hotels. A very large industrial cluster of Jhilmil Industrial area also surrounds this campus. This campus entirely focuses on management education and endeavours to provide quality education, research and innovation in the emerging areas of management relevant to industry and society. USME offers courses in Bachelor of Business Administration (BBA), Bachelor of Arts (B.A) (Hons.) in Economics and Master of Business Administration (MBA).

Centres of Excellence: The campus has the following centres of excellence:

Innovation and Incubation Centre (IIC): The aim of the centre is to provide startup grants for students and faculty members in the areas of management, innovation, along with entrepreneurship. It also promotes management and innovation driven business ventures that will lead to technical renaissance. Board of Directors of DTU Innovation and Incubation Foundation - Chairman: Prof. Yogesh Singh, VC-DTU, Directors: Prof. S.K.Garg (Pro VC, DTU), Prof. Anu Singh Lather (Pro VC, DTU), Prof. A. Trivedi (Dean-IRD, DTU), Dr.R.K.Shukla (Head-Central Library, DTU), Prof. Samsher (Registrar-DTU), CEO: Dr. Manoj K. Sharma

Entrepreneurship Development Centre (EDC):

The aim of the centre is to develop institutional mechanism to create entrepreneurial culture in science and technology and to foster techno entrepreneurship and knowledge enterprise development for generation of wealth and employment by personals. The aim of the cell is to guide the budding students to pursue entrepreneurship as their career.

Team-Faculty:

Prof. R.C. Sharma/HarleenKaur/PriyaMalhotra/VarshaSehgal/PuneetArora
Coordinator: Dr. Pushpender Singh

Centre for Organizational Development (COD):

The aim of this centre is to provide research, education, consultancy and extension services which enable organizations to transform its human resources effectively for consistent improvement and enable efficient change management.

Team-Faculty:

Priya Malhotra / Pallavi Kalra
Coordinator: Puneet Kumar Arora

Learning Resource Centre (LRC): This campus has an excellent LRC having 5000 plus book related to management education and provides online access to thousands of journals, educational videos in the related areas through high speed, state of art internet connectivity. LRC also provide access to language improvement (Grammarly) and the state of art anti-plagiarism software (Turnitin).

Team: Dr. M. K. Sharma, Anurag Chaturvedi, Aakansha Kaushik, Priya Malhotra and Geeta Singh

Upcoming Programmes at

University School of Management & Entrepreneurship (USME)

Master of Business Administration in Public Policy:

The programme is designed in week-end mode to cater the need of working government officials, public sector units and private sectors. Public policy is a guide to the set of actions which need to be taken by administrators with respect to specific class of issues. The actions undertaken are consistent with the laws. The program will enable the students to develop analytical and critical skills that are relevant for understanding the concepts and intricacies of public policy and its implementation. During the third and fourth semester, the students will be offered choices with respect to the policies they want to specialize in. They need to select three specific courses (Discipline Specific Electives) amongst Information and Communications Technology Policy, Corporate Finance and Global Financial Markets Policy, Urban Planning Policy, Rural Development Policy, Agricultural and Food Policy, Environmental Principles and Policy, Science and Public Policy, Law and Public Policy, Health and Public Policy, Social Policy and Foreign Policy.

Master of Business Administration in Business Analytics:

This programme is designed for students who aim to learn analytical skills specifically with respect to business operations. The course will focus on skill development with respect to handling voluminous data and analyzing it to extract meaningful information. Business analytics involves systematic and rigorous exploration of data specific to an organization in order to yield interesting trends and perform statistical analysis. The prime focus of this course is to make students learn data driven decision making which can be used by companies to make informed decisions. It will include specialization courses like machine learning, predictive modeling, data warehousing and data mining, big data analytics amongst others.

Master of Business Administration in Family Business and Entrepreneurship:

This programme is specifically designed for individuals who aim to contribute to their family business or who aim to set up their new business and learn specific entrepreneurial skills.

Eligibility and Admission Procedure

ELEGIBILITY CRITERIA

A candidate who has passed any graduate examination with minimum 60% marks in aggregate or equivalent CGPA from a recognised university/institution is eligible to apply. However, a relaxation of 10% in marks to SC/ST/PwD candidates shall be given in eligibility criteria. Those who are appearing in final semester examination may also apply, provided that they submit the proof of eligibility by a specific date declared by the University.

The student should hold a degree from any of the universities incorporated by an act of the central or state legislature in India, or other educational institutions established by an act of Parliament or declared to be deemed as a university under section 3 of UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India.

In case CGPA or conversion formula has not been provided by the concerned Institute/University then equivalent CGPA will be computed as per the following table:

$$\text{CGPA} = (\% \text{ of Marks} + 7.5) / 10$$
$$\text{Percentage of Marks} = (10 \times \text{CGPA}) - 7.5$$

Grade Point	% of Marks
6.25	55
6.75	60
7.25	65
7.75	70
8.25	75

The University may decide an appropriate cut-off percentile of CAT score to invite the candidates for GD & Personal Interview.

INTAKE

The annual intake of this programme is 120 for DSM and 60 for USME.

The reservation of the seats for SC/ST/OBC and sub categories Defence/PwD are as per the norms. One seat is reserved for Kashmiri Migrant. However, there will be no relaxation in the minimum eligibility criteria.

SEAT MATRIX

DSM (120 SEATS)		USME (60SEATS)	
Category	No of Seats	Category	No of Seats
General	61	General	31
OBC	32	OBC	16
SC	18	SC	09
ST	09	ST	04
Total	120	Total	60

Reservation Policy

a) Scheduled Caste (SC): 15 % of the total seats are reserved for Scheduled Caste candidates.

b) Scheduled Tribe (ST): 7.5 % of the total seats are reserved for Scheduled Tribe candidates.

c) Other Backward Class (OBC- NCL): 27% of the total seats are reserved for Other Backward Class (Non-Creamy Layer) candidates.

Sub-categories namely 'Defence' and 'Person with Disability' are available under each category (General, SC, ST, OBC-NCL).

d) Defence Personnel: 5% of the total seats (Horizontally) in each category are reserved for candidates belonging to Defence sub-category in the following priority:

Priority I: Widows/wards of Defence Personnel/ killed in action.

Priority II: Wards of disabled in action and boarded out from service.

Priority III: Widows/wards of Defense Personnel who died while in service with death attributable Military Service.

Priority IV: Wards of disabled in service and boarded out from service with disability attributed to military service.

1. ParamVir Chakra
2. Ashok Chakra
3. SarvottamYudhSeva Medal
4. Mahavir Chakra
5. Kirti Chakra
6. UttamYudhSeva Medal
7. Vir Chakra
8. Shaurya Chakra
9. YudhSeva Medal
10. Sena/ NauSena/ VayuSena Medal
11. Mention-in-Despatches

Priority VI : Wards of Defence Ex-servicemen.

Priority VII : Wives of:

- (i) Defence personnel disabled in action and boarded out from service.
- (ii) Defence personnel disabled in service and boarded out with disability attributed to military service.
- (iii) Ex-servicemen and serving personnel who are in receipt of Gallantry awards.

Priority VIII : Wards of serving personnel.

Priority IX : Wives of serving personnel.

e) Person with Disability: 5% of the total seats(Horizontally)in each category are reserved for candidates belonging to 'Person with Disability' sub-category

f) J&K Migrants (Supernumerary): 01 (One) seat over and above the total intake, is available under this category.

Selection Procedure

All the applications received will be shortlisted on the basis of performance in CAT 2017. The shortlisted candidates are required to appear for a Personal Interview and Group Discussion. Admission shall be made on the basis of combined merit list prepared on the basis of CAT score and performance in Group Discussion and Personal Interview.

In case of tie in the final merit list, the following criteria shall be used:

- i. The candidate with higher CAT percentile shall be ranked higher.
- ii. In case of tie in CAT percentile, the candidate shall be ranked according to age.

Note:

1. Allotment of campus will be done on the basis of rank of the candidate in the merit list and 'preference of the campus' applied by the candidate.

2. The University may invite fresh applications against vacant seats, if any, by following an alternative admission criteria i.e. marks of qualifying exam and performance in GD/PI.

Course Curriculum of MBA

The two-year (Full Time) MBA Programme is designed in four semesters using participative pedagogy with equal emphasis on conceptual knowledge and application in industry context.

The Programme focuses on inculcating effective managerial and leadership skills. The first year of the program offers core courses to develop the right attitude, knowledge and skills which are essential for a leader in the long term. The elective courses offered in the second year give students an opportunity to delve deeper in their respective areas of specialization and thus cater to the role and sector specific career objectives. Our MBA graduates have dual specialization. Students get to choose two of these given specializations in 2nd year.

Specialization 1: MARKETING MANAGEMENT

Specialization 2: HUMAN RESOURCE MANAGEMENT

Specialization 3: FINANCIAL MANAGEMENT

Specialization 4: OPERATIONS AND SUPPLY CHAIN MANAGEMENT

Specialization 5: INFORMATION TECHNOLOGY MANAGEMENT

Specialization 6: KNOWLEDGE MANAGEMENT
