Globally Benchmarked Curriculum with Blended Learning

The curriculum at IILM imbibes some of the best aspects of courses offered at top business schools around the world. Course modules are inspired by Stanford Graduate School of Business, Wharton Business School and IIM-A. Following a blended learning pedagogy that encourages students to apply concepts learnt, the curriculum enables students to hone their decision making process and allows them to apply their knowledge to worthy ideas. IILM offers three blended learning IIMBx Advanced Certification courses in the area of Data Analytics, Entrepreneurship & Financial Markets.

Global Study & International Trek

Keeping pace with the globalizing environment, IILM mandates a Global Study program in one of our partner universities. The purpose of Global Study is to give students global exposure of teaching pedagogy, industry, and diverse cultures enabling them to expand their horizons and develop an international perspective.

International Treks give PGDM students an opportunity to explore the economic, political, and cultural contexts of business in different regions of the world.

Choosing to study abroad for a Semester allows students to see a world beyond their own city and country offering them an opportunity to create new friends, experiences, and memories that stay with them for their entire lives. The Study Abroad programs is a positive addition to their resume enhancing job opportunities in the future.

Career Centre

Launching successful careers through a combination of academic courses and practical guidance, IILM Career Centre aims at steering the students in the right direction for a successful and fulfilling professional life through a variety of endeavors.

IILM Career Centre offers support and guidance through Alumni Connect where students get an opportunity to meet, interact and learn from Alumni as well as explore possibilities of working with them.
