

NTPC School of Business

(A unit of NTPC Education and Research Society)

Invites Application for

Post Graduate Diploma in Energy Management

PGDM (EM)-2024-26
(AICTE Approved)

Promoter

ABOUT NTPC SCHOOL OF BUSINESS

NTPC Limited, a Maharatna company of Government of India is India's largest energy conglomerate with an installed capacity of more than 73,958 MW. Recognizing the fact that human capital is the key value differentiator for the success of any economic and business activity, NTPC Limited formed "NTPC Education and Research Society" – NEARS with the aim to nurture human capital for the entire energy sector. Under the aegis of NEARS, NSB was set up in the year 2014. Currently, two AICTE approved courses are being taught- the two years Post Graduate Diploma in Management- Energy Management (PGDM-EM) and the eighteen months Post Graduate Diploma in Management- Executive (PGDM-E). NTPC School of Business also has an academic collaboration

with IIM-Ahmedabad in its establishment, continuing till June 2024. Wherein faculties from IIM-Ahmedabad enrich academic exposure to our students as a regular practice.

About PGDM (EM)

The programme is first of its kind in India, dealing with techno-managerial aspects of energy business. It imparts topically and temporally relevant management centered knowledge and skills relevant for the energy sector. This includes a special emphasis, for instance on business models, market instruments, institutional mechanisms and energy transitions at the

regional, national and global levels. Field trips, frequent interactions with academic and industry leaders in the energy domain and internship enriches experiential learning.

Faculty

Faculty at NSB comes with substantial academic, research and industry experience. NSB's Teaching Methodology emphasizes case study and analysis based approach along with expert lectures, group assignments, discussions, live

research projects and management games. In addition to the core courses, a large number of elective options are also provided to students to develop their expertise in a particular domain.

V R Lab

Infrastructure

State-of-the-art infrastructure at the school consists of computer labs, seminar halls, cafeteria, medical facilities and well equipped lecture rooms. NSB also

has a well-endowed library that enables access to a wide variety of national and international journals, electronic databases and project reports.

Extracurricular activities

Extracurricular Activities at NSB are conducted through various clubs and committees meant to create and strengthen networks, skills and community engagement. The various clubs are Ojas (Art & Culture), Sadaya (Social Service), Awaaz (Public Speaking and Personality Development),

Akshaya (Sustainability), Prarambh (Innovation & Entrepreneurship), Saahas (Sports), AAN (the Alumni Association of NSB) & Gyan Urja (Knowledge Management). Through these clubs students participate in many national and international events.
